Deliver safety to the world

Catalogue

GOG electrical

ZHEJIANG GENO ELECTRICAL CO., LTD, founded in 2010, is a national high-tech enterprise focusing on household appliances and aesthetic lighting, integrating R&D, manufacturing, trade, service and other functions. The registered capital of the company is 106 million yuan, the plant construction area is more than 100,000 square meters, and more than 2,000 employees.

Main products: switch socket, lamps and lighting, Integrated bath heater, intelligent switch panel, hospital and hotel intelligent, **electrical accessories and other 50 series of more than 1000 varieties of products**, the annual sales of more than 500 million sets, products sold in more than 30 countries and regions around the world.

With a nationwide layout and coordinated development, Geno owns three major automation industry production bases, Wenzhou Electrical production base, Zhongshan Lighting production base and Jiaxing Integrated bath heater production base. It has many subsidiaries including **Geno Electrician, Geno Lighting, Geno Household, Geno Plastic, Geno Alloy, Geno IOT and so on.**

HONOR

Partial

International specialized and special new small giant enterprise
National high-tech enterprises
Zhejiang manufacture "quality" word certification
High performance smart electrical switch Research Institute
Postdoctoral workstation
Scientific and technological innovation enterprise
President Company of Longwan Electrical Appliance Association

QUALIFICATION

Partial

China Green Product Certification
International laboratory accreditation Certificate - CNAS certification
China two integration management system evaluation certificate
ISO 90012015 Quality Management System Certification
ISO 140012015 Environmental Management System certification
ISO 0450012018 Occupational Health and Safety management system certification
AAA level abided by the contract and credit enterprises

PATENTS

Partial

Self-resetting Wall Switch (Invention patent)
Smart control 5 pin socket sensor lamp (Invention patent)
A multifunctional socket capable of adjusting distance (Invention patent)
A power socket with an replaceable sockets modules (Invention patent)
A method for assembling a connect switch base (Invention patent)
A new type of panel (Invention patent)
A smart socket with sensor footlight (invention patent)

GOG electrical

Global Open Genuine

Mission

Deliver safety to hundreds of millions of families around the world

Create value for customers

Help employees develop, Make positive happiness for society

Values

Customer first,
high efficiency, innovation
integrity, responsibility, equality

Small Angle switch

7.5mm
Ultra thin

200,000+
Working life

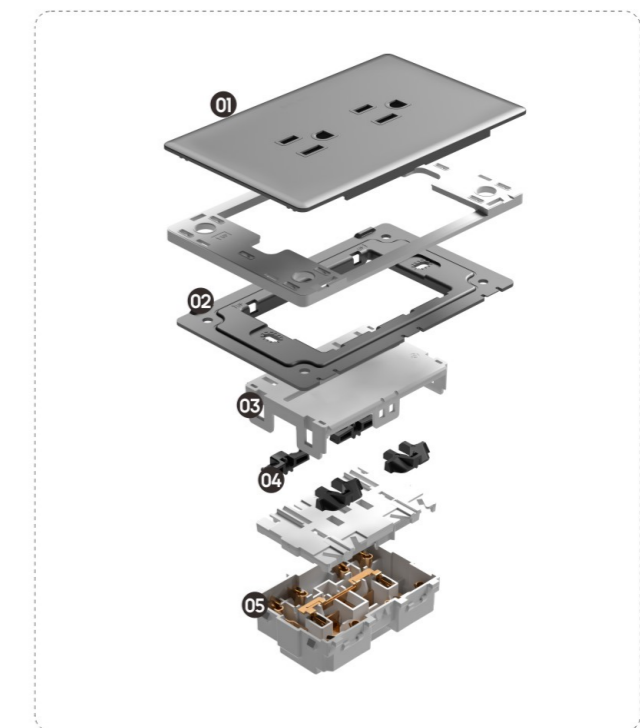

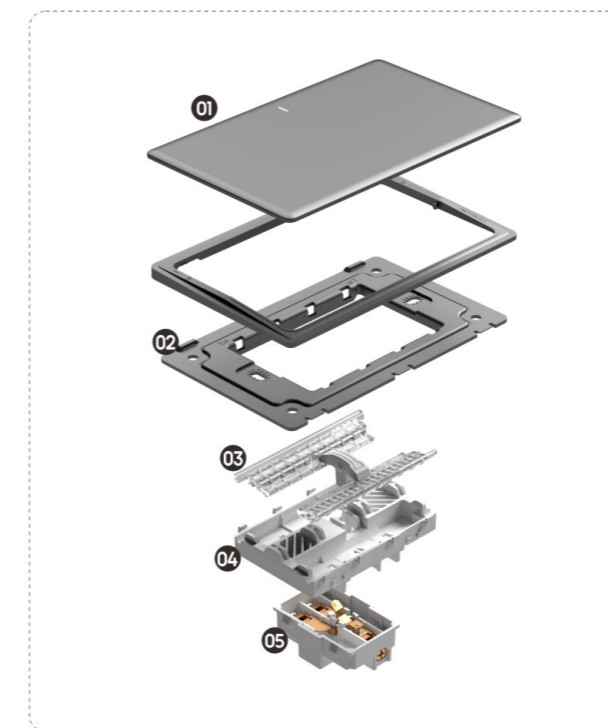

1 gang 2 way switch

- 01 High strength and highlight fire-retardant PC cover
- 02 Thicken painted metal frame, more stronger and not deform
- 03 I shape moving part, Single-stage driving
- 04 High strength and highlight fire-retardant PC cover
- 05 New rocker board with fixed bracket structure, performance is more stable, hand feeling is more smooth

Duplex socket

- 01 High strength and highlight fire-retardant PC cover
- 02 Thicken painted metal frame, more stronger and not deform
- 03 High strength and highlight fire-retardant PC cover
- 04 Fiberglass reinforced PA safety door
- 05 0.7mm phosphor copper, strong elastic, pull-out force more better

Exploded schematic diagram of switch module

- 01**
High quality PC button
- 02**
High quality PC fire resistant cover
- 03**
New rocker board with fixed bracket structure, performance is more stable, hand feeling is more smooth
- 04**
Ultra-national standard 4mm silver alloy point, 0.35mm thickness
- 05**
New buckle, wiring is more convenient
- 06**
High quality Pc fire resistant backside

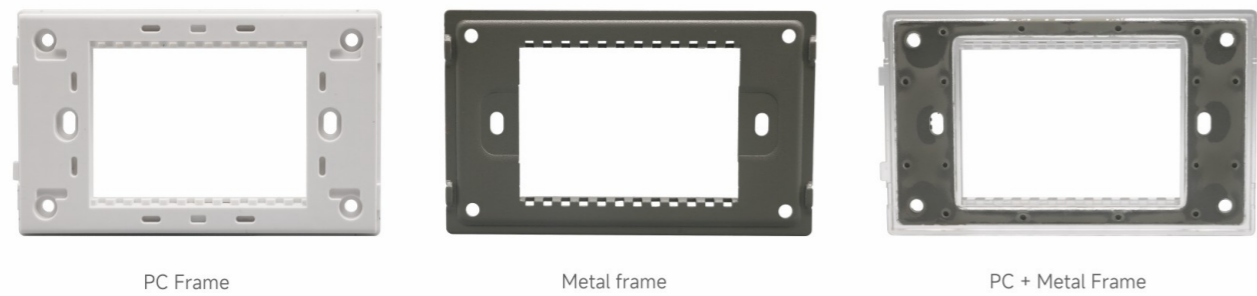

Exploded schematic diagram of two-plug socket module

- 01**
High quality PC frame
- 02**
Fiberglass reinforced PA safety door
Unipolar protection design
- 03**
Fiberglass reinforced PA press plate
- 04**
Widen and thicken. Thickness of copper parts:0.6mm
- 05**
Circlip structure, pull-out force is better
longer lifetime
- 06**
New buckle wiring is more convenient
- 07**
High quality PC fire resistant backside

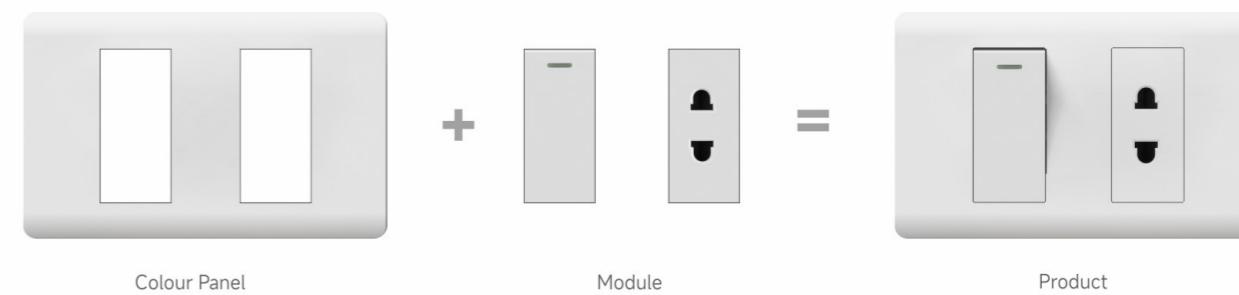

Switch panel specifications show

Switching module display

Installation flexibility

The illustration shows how different combination with 1 to 3 modules in the same bracket can be installed

A10 SERIES

HUMAN BODY SENSOR SWITCH

Smart light sensing detects day and night In bright environments, the light does not activate. In dim environments, it activates upon detecting human presence
