# GOG electrical

**ZHEJIANG GENO ELECTRICAL CO., LTD**, founded in 2010, is a national high-tech enterprise focusing on household appliances and aesthetic lighting, integrating R&D, manufacturing, trade, service and other functions. The registered capital of the company is 106 million yuan, the plant construction area is more than 100,000 square meters, and more than 2,000 employees.

Main products: switch, socket, lamps and lighting, Integrated bath heater, intelligent switch panel, hospital and hotel intelligent, **electrical accessories and other 50 series of more than 1000 varieties of products**, the annual sales of more than 500 million sets, products sold in more than 30 countries and regions around the world.

With a nationwide layout and coordinated development, Geno owns three major automation industry production bases, Wenzhou Electrical production base, Zhongshan Lighting production base and Jiaxing Integrated bath heater production base. It has many subsidiaries including **Geno Electrician, Geno Lighting, Geno Household, Geno Plastic, Geno Alloy, Geno IOT and so on.**

## HONOR

Partial

International specialized and special new small giant enterprise  
National high-tech enterprises  
Zhejiang manufacture "quality" word certification  
High performance smart electrical switch Research Institute  
Postdoctoral workstation  
Scientific and technological innovation enterprise  
President Company of Longwan Electrical Appliance Association

## QUALIFICATION

Partial

China Green Product Certification  
International laboratory accreditation Certificate - CNAS certification  
China two integration management system evaluation certificate  
ISO 90012015 Quality Management System Certification  
ISO 140012015 Environmental Management System certification  
ISO 0450012018 Occupational Health and Safety management system certification  
AAA level abided by the contract and credit enterprises

## PATENTS

Partial

Self-resetting Wall Switch (Invention patent)  
Smart control 5 pin socket sensor lamp (Invention patent)  
A multifunctional socket capable of adjusting distance (Invention patent)  
A power socket with an replaceable sockets modules (Invention patent)  
A method for assembling a connect switch base (Invention patent)  
A new type of panel (Invention patent)  
A smart socket with sensor footlight (invention patent)

# Metal & plastic supporting frame structure exploded view

# DN Series

## Product Rear Seat Display

## DN Series

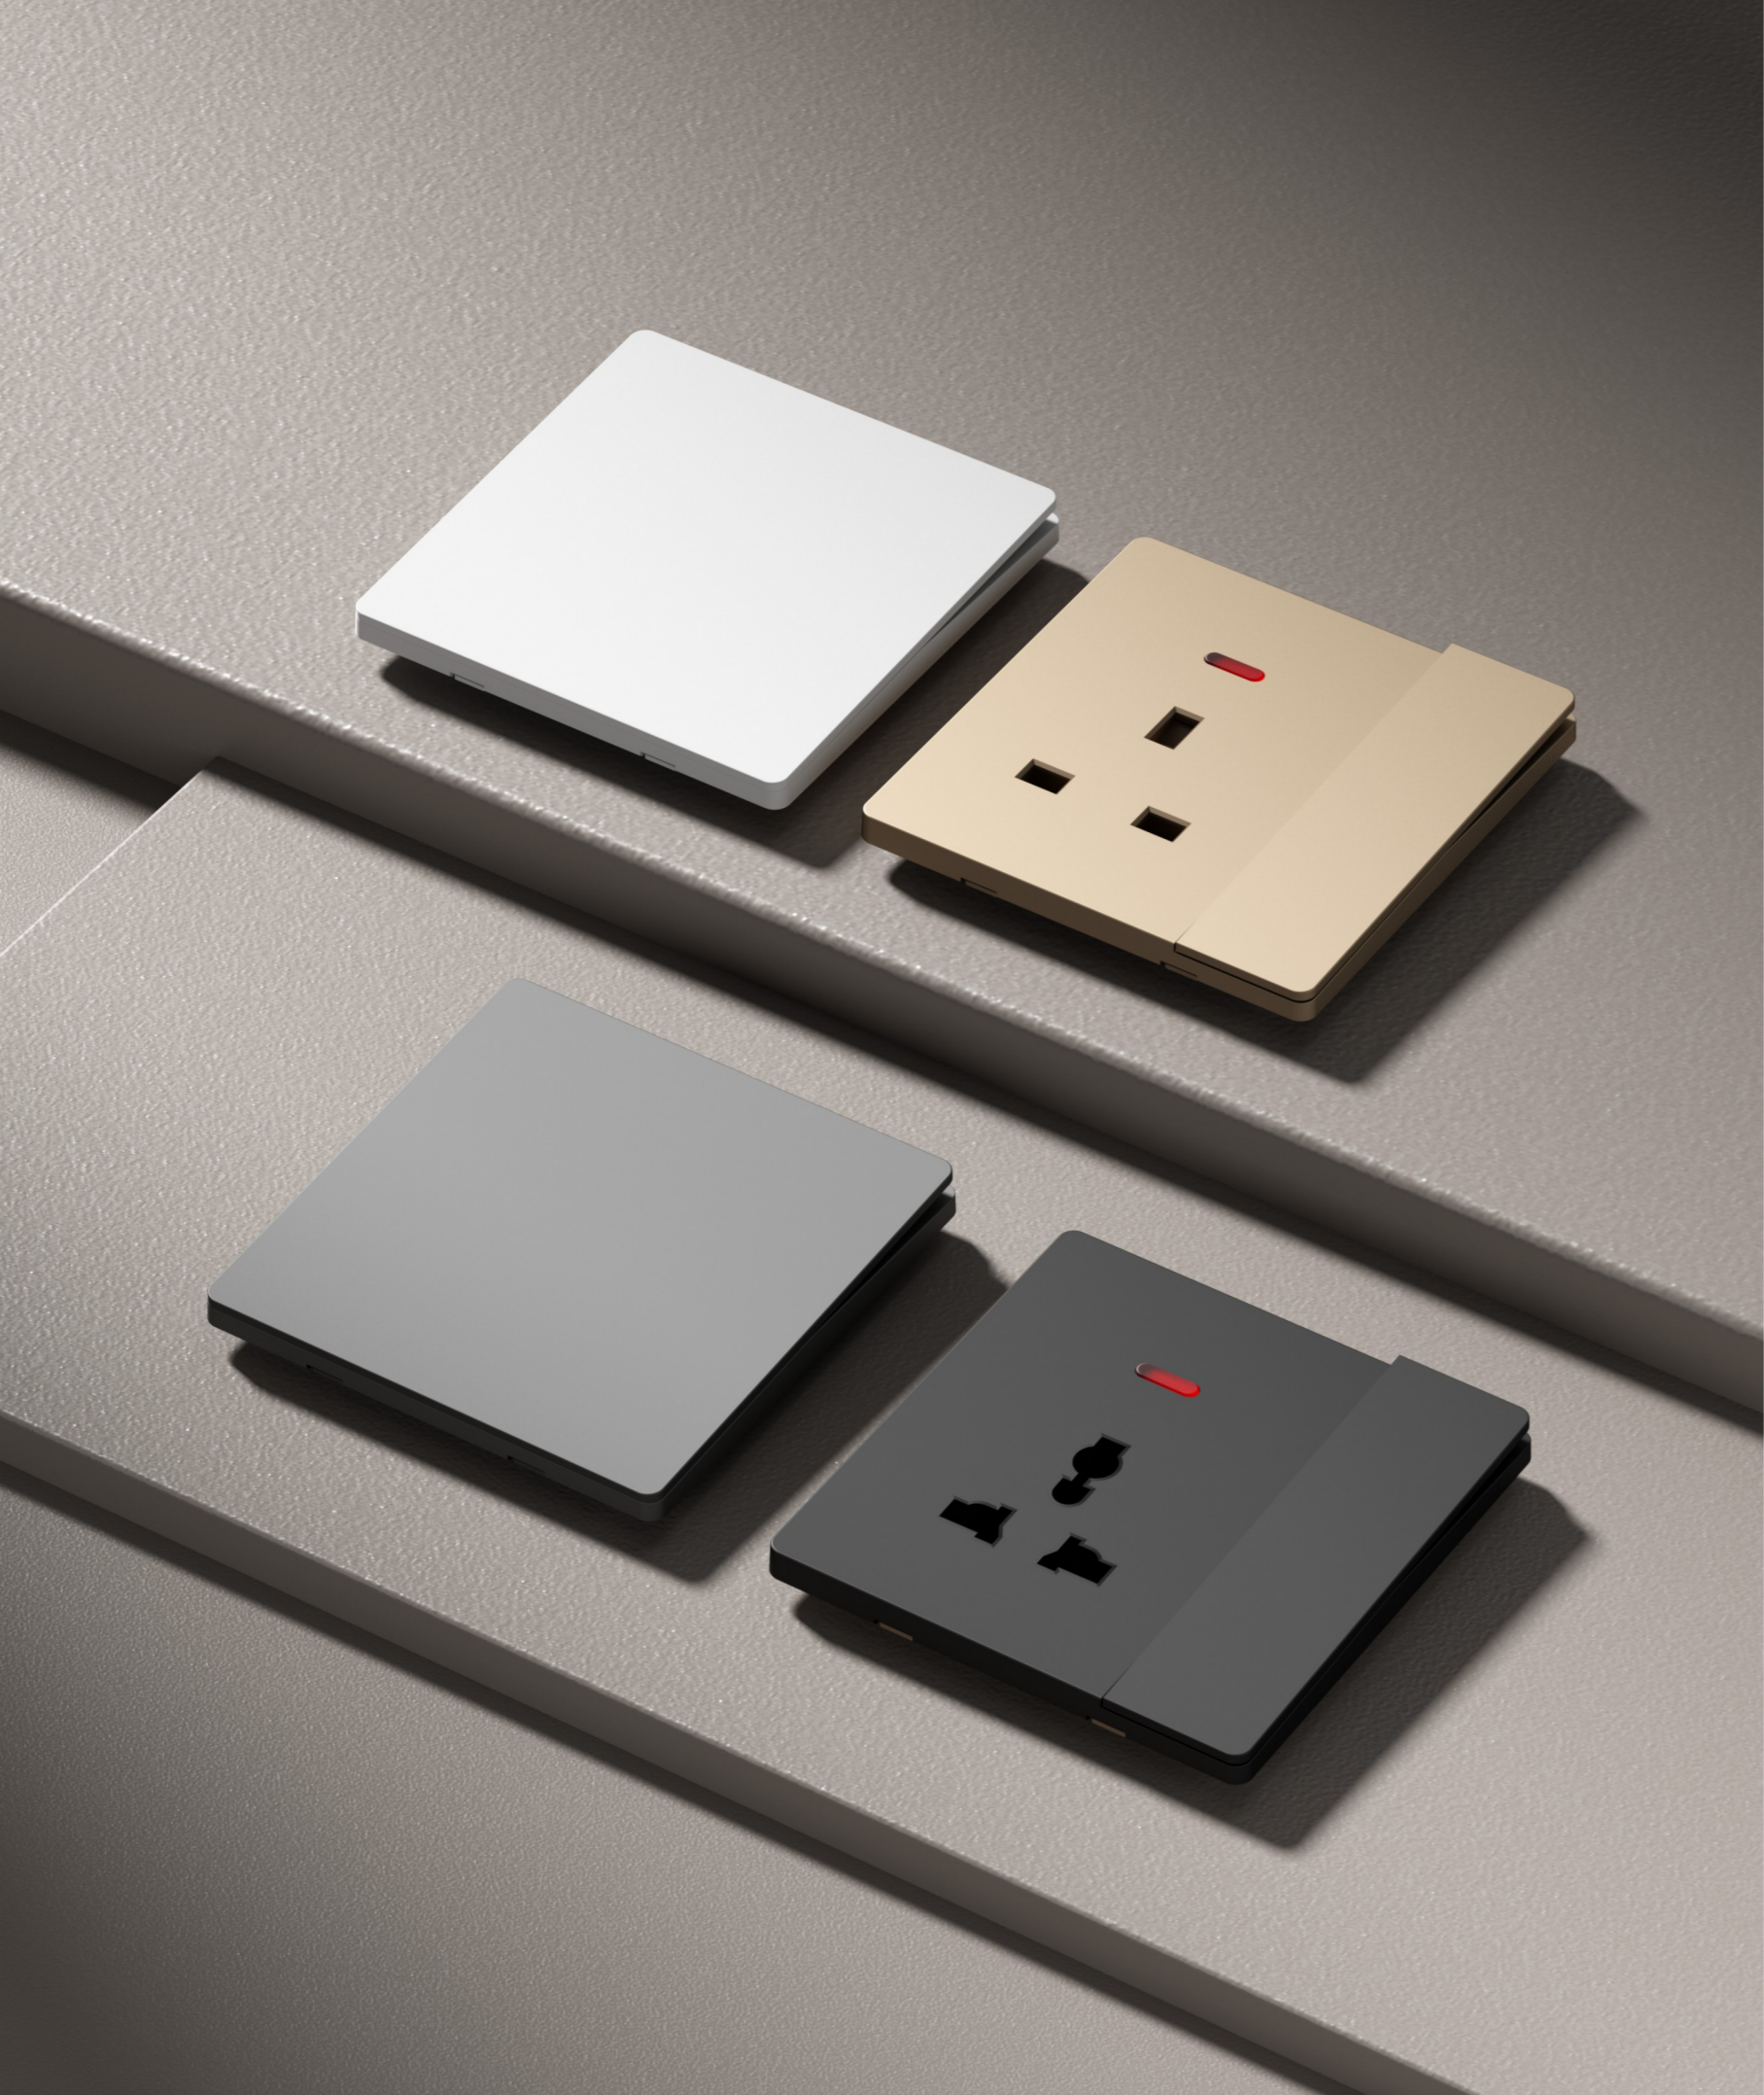

### Plastic-wrapped steel reinforcement structure

Even under violent installation, the base deformation is effectively controlled, greatly enhancing overall safety and preventing the switch from becoming unusable due to improper installation.

### Metal supporting frame

Even under violent installation, the base deformation is effectively controlled, greatly enhancing overall safety and preventing the switch from becoming unusable due to improper installation.

# DN70 PC Series

**Ultra-thin panels,  
so you can savour the details.**

The art of dissolving in practical, thoughtful design,  
The rich variety, pleasing appearance, fine quality, and reliable performance...  
to savour life and exemplify with confidence and imagination.

## Product Features

**Rock-Solid & Stable:** Long pins ensure a secure fit  
and premium, wobble-free tactile feedback.

**Quiet & Subtle:** A small opening minimizes the  
clicking sound for quieter operation.

## Translucent and extraordinary

Unique artistic modelling design, high-grade selection of materials and craftsmanship, so that you can truly appreciate the artistic value of creativity! Novelty and fashion originated from the most essential sense of life.

# CN30 Series

Simple, sophisticated styling puts the wow factor in the palm of your hand.

Elegant lines, soft switching sound like porcelain. Elegant but not ostentatious, it is the embodiment of the times. There is nothing extravagant about its appearance.

# CN32 Series

The austere design ethos  
is abundant.

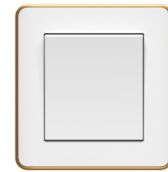

Bold and heroic design performance, the texture of the gold brushed, the sharpness of the straight, cohesion of the focus of the masses. The sense of power comes firstly from its hard and sharp lines, and its tension is unstoppable.
